Happiness with Work/Life Balance

In general:

- > Number of survey takers : **630**
- > Average age : **29.87** y.o.
- > Satisfaction with salary (on average): **4.27 / 10**
- > Satisfaction with Work/Life Balance (on average): **5.74 / 10**
- > Average salary by job title :
 - . Data scientist : **94 k**
 - . Data engineer : **65 k**
 - . Data architect : **64 k**
 - . Other : **61 k**
 - . Data analyst : **55 k**
 - . Data developper : **33 k**
 - . Student / Looking / None : **27 k**
- > Favorite programming languages by job title : **Python** & **R** used mostly by data analysts & students(/Looking/None).
- > **42.7%** found it neither easy nor difficult to break into the data field.

In Canada:

- > Number of survey takers : **32**
- > Average age : **30.47** y.o.
- > Satisfaction with salary (on average): **4.13 / 10**
- > Satisfaction with Work/Life Balance (on average): **6.06 / 10**
- > Average salary by job title :
 - . Data scientist : **96 k**
 - . Data engineer : **106 k**
 - . Data architect : **96 k**
 - . Other : **121 k**
 - . Data analyst : **61 k**
 - . Data developer : -
 - . Student / Looking / None : **37 k**
- > Favorite programming languages by job title : **Python & other languages** used mostly by data analysts.

In India:

- > Number of survey takers : **73**
- > Average age : **27** y.o.
- > Satisfaction with salary (on average): **3.51 / 10**
- > Satisfaction with Work/Life Balance (on average): **4.79 / 10**
- > Average salary by job title :
 - . Data scientist : **94 k**
 - . Data engineer : **65 k**
 - . Data architect : **64 k**
 - . Other : **61 k**
 - . Data analyst : **55 k**
 - . Data developper : **33 k**
 - . Student / Looking / None : **27 k**
- > Favorite programming languages by job title : **C/C++** & **Python** used mostly by data analysts.

In the United Kingdom:

- > Number of survey takers : **40**
- > Average age : **32.23** y.o.
- > Satisfaction with salary (on average): **4.05 / 10**
- > Satisfaction with Work/Life Balance (on average): **5.84 / 10**
- > Average salary by job title :
 - . Data scientist : **37 k**
 - . Data engineer : **47 k**
 - . Data architect : -
 - . Other : **61 k**
 - . Data analyst : **47 k**
 - . Data developer : **20 k**
 - . Student / Looking / None : **20 k**
- > Favorite programming languages by job title : **Javascript & C/C++** used mostly by data engineers & data analysts.

In the United States:

- > Number of survey takers : **261**
- > Average age : **30.70** y.o.
- > Satisfaction with salary (on average): **5 / 10**
- > Satisfaction with Work/Life Balance (on average): **6.38 / 10**
- > Average salary by job title :
 - . Data scientist : **139 k**
 - . Data engineer : **101 k**
 - . Data architect : **76 k**
 - . Other : **84 k**
 - . Data analyst : **80 k**
 - . Data developer : **53 k**
 - . Student / Looking / None : **33 k**
- > Favorite programming languages by job title : **R & other languages** used mostly by data analysts.

In the other countries:

- > Number of survey takers : **224**
- > Average age : **29.33** y.o.
- > Satisfaction with salary (on average): **3.71 / 10**
- > Satisfaction with Work/Life Balance (on average): **5.24 / 10**
- > Average salary by job title :
 - . Data scientist : **94 k**
 - . Data engineer : **65 k**
 - . Data architect : **64 k**
 - . Other : **61 k**
 - . Data analyst : **55 k**
 - . Data developper : **33 k**
 - . Student / Looking / None : **27 k**
- > Favorite programming languages by job title : **Python** used mostly by data analysts.
